Attached is a draft communication setting forth my current position regarding the independent claims presented on 1/30/2004. Also, in case you were unaware, the Terminal Disclaimer filed on 1/11/2010 was disapproved, since it contains the wrong filing date (June 6, 1995) for Application No. 08/477,805 (the correct date is June 7, 1995). If there are any questions, please give me a call.
